INSTRUMENTAL IN MARINE NAVIGATION

Lilley & Gillie Mk2000S Magnetic Compass Outfit

The compass outfit is available in Reflector, Non-Reflector and Naval (DG Correction) versions with the following features.

Material	Reinforced glassfibre binnacle.	
Correction	A full set of compensating magnets for B, C and H plus adequate quadrantal corrector and flinders plates.	
Periscope	Telescopic with a maximum vertical length of two metres.	
Fixings	Rubber base gasket and four S/S M20x90 mounting bolts, nuts and washers.	
Lighting	Two 24vdc 15w lamps and one spare fitted within the binnacle. Control of lamps, dimmer and power supply by the FW9862 Control Unit. A two position dimmer switch is also fitted within the binnacle for local control.	
Power Supplies	The FW9862 Control Unit includes a transformer and has AC mains (110 or 220v) and 24vdc inputs with 24vdc outputs. Both the input and output circuits are switched thereby maintaining illumination under all circumstances. A two position dimmer switch is included on the control unit.	
Compass	Lilley & Gillie 'SR4', Class A, 175mm Reflector Card.	
Azimuth Mirror	The FW9011 Azimuth Reading Device, Group 1 Type, Azimuth Mirror/Circle, is supplied in a hardwood storage box.	
Weights	Reflector Binnacle	35kg
	Non-Reflector Binnacle	30kg
	'SR4' Compass	6.5kg
	Lighting Control Unit	0.62kg
	FW9011 Azimuth in box	1.45kg
Colour	Binnacle, Dark Admiralty Grey. (Others available) Periscope Assembly, Black. Lighting Control Unit, Black with white lettering.	

In accordance with our policy of continuous development, changes may be made from time to time without prior notice.

Manufacturer of magnetic compasses, TMC's and nautical instruments. Adjusting, testing and repair of magnetic compasses by certificated compass adjusters.

Manufacture of type approved navigation and data instrumentation for commercial vessels.

Manufacture of military grade instrumentation systems for naval and paramilitary vessels.

PC MARITIME

ECDIS and electronic chart systems.

International Admiralty Chart Agent. Supply and updating services for BA, US, Primar and numerous other publishers' charts, publications and books including electronic charts (Raster and S57) and digitised products.
